Password for all test accounts: password123

Test Accounts

Role	Email	What You Can Do
Admin	assistant@riotexas.org	Full access – assign committees, view all, advance pipeline
Secretary	secretary@riotexas.org	Record UT decisions, manage pipeline
Committee Chair (CSR)	chair-csr@riotexas.org	Review and recommend assigned resolutions
Committee Chair (BOT)	chair-bot@riotexas.org	Same, for Board of Trustees resolutions
Petitioner (EN)	delegate@riotexas.org	Submit and track own resolutions
Petitioner (ES)	delegado@riotexas.org	Same, in Spanish

Walkthrough 1: Submit a Resolution (as a Petitioner)

1. Go to <https://rio-texas-resolutions.vercel.app/en/submit>
2. Log in with **delegate@riotexas.org**
3. Walk through the 4-step submission form:
4. **Step 1** – Info (what the process looks like)
5. **Step 2** – Account (already logged in, so this is skipped)
6. **Step 3** – Write your resolution (title, text, rationale – English and/or Spanish)
7. **Step 4** – Review and submit
8. After submitting, you'll see a display number assigned (e.g., RT-2026-0013)
9. Notice: if your resolution mentions money, budgets, or funding, the system automatically flags it for finance committee referral under SR-14

Walkthrough 2: Review the Dashboard (as Admin / Asst. to Bishop)

1. Log out, then log in with **assistant@riotexas.org**
2. Go to **Dashboard** – you'll see all 12 demo resolutions sorted by status, with counts at the top
3. Click into any resolution to see the full detail view:

4. **Pipeline tracker** – visual bar showing where the resolution sits in the process
5. **Bilingual content** – toggle between English and Spanish in the top nav
6. **Committee assignment** – assign a resolution to a Vision Team or Admin Agency
7. **Financial flag** – yellow warning if the system detected budget implications
8. From here you can advance resolutions through each stage

Walkthrough 3: Committee Review (as Committee Chair)

1. Log out, then log in with **chair-csr@riotexas.org**
2. Go to **Dashboard** – you'll see only resolutions assigned to your committee (CSR)
3. Open a resolution that's Under Review and submit a recommendation (Recommended or Not Recommended, with explanation)

Walkthrough 4: Final Decision (as Secretary)

1. Log out, then log in with **secretary@riotexas.org**

2. Open a resolution in UT Review status
3. Record the final UT decision: Approved or Not Advanced

Walkthrough 5: Try it in Spanish

1. Click the language toggle in the top navigation bar
2. The entire interface switches to Spanish – all labels, status names, and navigation
3. Resolution content appears in Spanish when available (falls back to English if not)

Key Features

- **Bilingual** – full English/Spanish UI and content fields
- **Financial detection** – automatically flags resolutions with budget implications and cites SR-14
- **Pipeline tracking** – visual status tracker from Draft through Approved/Not Advanced
- **Role-based views** – each role sees only what they need
